CalRecycle WebPass: Home

Use this site to establish or manage a CalRecycle WebPass. A CalRecycle WebPass allows you to use your email address and a single password to sign in to many secure CalRecycle WebPass web sites and services.

CalRecycle WebPass Options

[Forgot Password?](#)

If you already have an active CalRecycle WebPass account, but you forgot your password, you can reset it here.

[Change Password](#)

If you already have a CalRecycle WebPass account and you know your password, but want to change it for security reasons, you can change it here.

[Resend Activation Email](#)

If you have not received the email explaining how to activate your account, or cannot find it, start here.

[Create Account](#)

If you do not have a CalRecycle WebPass account, start here. Creating a CalRecycle WebPass account is free and easy.

[Manage Account](#)

If you already have a CalRecycle WebPass account, sign in to manage your account. You can update your name, security question(s), change your password, and change your personal assurance phrase.

Instructions

Welcome to the Application module of CalRecycle's Local Government Oil Payment Program (LoGOPP) system. You will be able to log in and out of LoGOPP to complete your application until the application due date. After the application due date, you will only be allowed to upload documents until the document due date. Please refer to the Used Oil Payment Program Guidelines for additional information regarding your application.

When filling out your application, remember to do the following:

- Complete each tab
- Upload available documents (Resolution, Letter of Authorization or Letter of Designation)

Enter information and select save.

Fields marked with * (asterisk) are required.

Save Cancel

Print Application Certification

Applicant Information

Status: Pending Date Submitted:
 Application Due: 06/30/2015 Documents Due: 07/30/2015
 Payment Status: Select Date Paid:

Program Requirements

1) Your Used Oil Collection Program (Program) must provide one of the following pursuant to Public Resources Code (PRC) 48691(a)(1)(2). Check the appropriate box.

- Provides used oil curbside collection at least once a month.
- Ensures there is one Certified Used Oil Collection Center for every 100,000 residents.
- Provides a combination of used oil curbside collection and Ensuring Certified Used Oil collection center are available.
- Our Program currently does not meet the requirement pursuant to PRC 48691(a)(1)(2). CalRecycle staff will contact you to discuss this issue after application submittal.

2) Your Program must also provide a public education component that informs the public of locally available used oil recycling opportunities pursuant to PRC 48691(b). Check the appropriate box.

- Our Program has a public education component that informs the public of locally available used oil recycling opportunities.
- Our Program currently does not meet the requirement pursuant to PRC 48691(b). CalRecycle staff will contact you to discuss this issue after application submittal.

3) Are you currently participating in mediation mandated by AB 506, have you attempted to initiate such mediation or have you declared a fiscal emergency within the last 12 months? Note: The answer is for informational purposes and will not be used to determine eligibility for payment funding.

Yes No

Do.Not.Reply@CalRecycle.ca.gov (Do.Not.Reply@CalRecycle.ca.gov) Add to contacts 12:51 PM | Actions

To: baljot biring

Dear Baljot Biring:

Thank you for submitting the LoGOPP Application for City of [REDACTED] for Fiscal Year 2014/15. CalRecycle will review your submission and notify you if additional information is needed.

If you have any questions about the application submission process, please contact your CalRecycle Liaison, [Baljot Biring](#), at (916) 341-6431.

Sincerely,

Baljot Biring
Program Advisor, Used Oil Payment Program

OPPO Annual Report Oil Collection: City of [REDACTED] (2014/15)

- Summary
- Collections
- Expenditures
- In-Kind
- Consultants
- Highlights
- Training
- Documents

Instructions

Complete the Oil Collection Data and Summary table and the Program Collection Requirements section. Report Oil and Filter Collection Data by calendar year. Select at least one of the options in the Program Collection Requirement section and if the "CCC site visit" is selected, state the number of site visits.

- Back
- Edit
- Delete

Oil Collection Data and Summary

| Collection Type | Oil (gallons) | Oil filters (number) |
|--|---------------|----------------------|
| <input type="checkbox"/> Certified Collection Centers (DIYer only) | 49,000 | 4,000 |
| <input type="checkbox"/> PHHW and ABOPS (Certified and Non-Certified) | 0 | 0 |
| <input type="checkbox"/> Agricultural Collection | 0 | 0 |
| <input type="checkbox"/> Non-certified facilities (Non-Ag) | 0 | 0 |
| <input type="checkbox"/> Temporary or Mobile (Temp or Mobile Event) | 0 | 0 |
| <input type="checkbox"/> Residential (Curbside or door-to-door) | 16,808 | 520 |
| <input type="checkbox"/> Marinas | 0 | 0 |
| <input type="checkbox"/> Other (Load-Check, Airport, etc.) | 0 | 0 |
| Total | 65,808 | 4,520 |

To assist in completing the gallons of oil claimed, the most current oil claims data can be accessed from CalRecycle's [Claim Data Search Tool](#).

Conversion Factors: One 55-gallon drum of uncrushed filters equals 250 filters and one 55-gallon drum of crushed filters equals 750 filters. One (1) filter equals 1.5 pounds. One (1) gallon of used oil equals 8.5 pounds

Program Collection Requirements

Please check the appropriate box(s) if your Used Oil Program performs the following:

- Curb Side Pick-up
- Conduct CCC Site visits, enter number of Sites visits

*Do not submit/send your completed CCC site visit checklist forms (CalRecycle 664 or 665) to CalRecycle, but retain them for a minimum of three years after closeout of the OPP term for audit purposes.

Used Oil Recycling Program

Certified Collection Centers and Oil Payment Program Map

This interactive used oil map details both active and inactive Used Oil Certified Collection Centers (CCC) throughout California. In addition, it represents eligible Jurisdictions who applied and received used oil payments to develop and maintain used oil and used oil filter collection/recycling programs. Payments are calculated per capita and determined annually as part of the State budget process.
