Used Oil Curbside Collection for Dummies

by

William A. Worrell, Manager

San Luis Obispo County
Integrated Waste Management Authority

Presented at

California 5th Annual Household Hazardous Waste
and Used Oil Conference

May 18, 2000

Convenience

Cost Effective

Yin and Yang

Partnered with the 5 franchised garbage companies

IWMA provides garbage companies:

- on-going funding - \$25,000**
- oil collection containers**
- oil filter bags**
- oil storage tank**

Curbside Oil Collection Program

1. Drain oil and oil filter directly into this oil container.
2. Place oil filter into an oil filter plastic bag or a regular plastic bag.
3. Call 805-543-0875 for San Luis Obispo, 805-489-4246 for south county communities, 805-528-7430 for north coast communities to schedule your pick-up.
4. Place full oil container and/or oil filter bag **curbside by 8:00am** on the morning of your regular collection day not before.
5. Your full container/bag will be exchanged for a new container/bag.

Do not put antifreeze, brake fluid or other fluids in this container!

This container is the property of the garbage company and is not for resale!
Funding for this program is provided by CalRecycle and the SLO Co. IWMA

Collection Service

- **Includes all residential garbage customers**
- **Free program**
- **Garbage companies collect oil and filters using a dedicated truck**
