Alternative and Renewable Fuel and Vehicle Technology Program

Employment Training Panel

Robert Meyer

Director of Economic Development

<http://www.etp.ca.gov>

What does ETP do?

ETP is a State agency that uses a **pay-for-performance contract** to reimburse the costs for employer-customized job skills training.

ETP does not

- provide training
- mandate training topics
- select training providers

Basic Contract Structure

Basic ETP Contract Model

AB118 Partnership

Under the **Alternative and Renewable Fuel and Vehicle Technology Program (AB118)**, ETP will develop a workforce development program supporting job skills development within the following sectors:

- alternative/ renewable fuels
- vehicle emission reduction technologies
- other areas of green transportation

ETP's pay-for-performance contract will be used for development and administration of AB118 funds.

AB118 Program Overview

Funding format - Single Employer Contracts
and Multiple Employer Contracts

Funding for training of incumbent workers
and unemployed individuals seeking
full-time employment

Training focused on the development and
deployment of alternative/renewable fuel
and vehicle technologies

AB118 Training Topics

Allowable topic areas for FY14/15:

- Alternative and renewable fuel feedstock production and extraction
- Alternative and renewable fuel production, distribution, transport and storage
- High-performance and low emission vehicle technology, including computer systems
- Mass transit fleet conversions, focusing on servicing and maintenance
- Other green transportation sectors

AB118 Program Flexibility

Expanded employer and trainee eligibility

Flexible training hour ranges and

Multiple training delivery modes:

classroom/laboratory,
video-conference and
productive lab

Development Process

ETP Orientation

Scoping/ Project Review (*ETP and CEC*)

Preliminary Application

Site Visit and Application For Funding

Panel Consideration and Approval

Funded Training Begins

On-going technical support and
monitoring

Into Fiscal Year 2014/15

Increased funding available for training

\$80M to \$90M in contract value;

AB118 up to \$3.0M [7/1/14*]

- Rethinking ETP
