

## Virtual Workshop Agenda

**Tuesday, May 12, 2020**

9:00 AM - 9:30 AM

### **Virtual Welcome/Opening Remarks & Updates**

**Matt Henigan**, Deputy Director, Materials Management and Local Assistance Division, CalRecycle

9:30 AM - 10:00 AM

### **Session I: IBank Funding**

We will get an update from the California Infrastructure and Economic Development Bank (IBank) about the California Lending for Energy and Environmental Needs (CLEEN) financing program eligibility and criteria as well as the proposed Climate Catalyst Revolving Loan fund that was in design before the COVID-19 pandemic. IBank is also seeking green project information for its project pipeline as possible stimulus funds or other funding opportunities for manufacturers become available.

**Moderator: Cara Morgan**, Branch Chief, Local Assistance and Market Development, CalRecycle

**Nancee Robles**, Chief Deputy Executive Director, California Infrastructure and Economic Development Bank (IBank)

**Lina Benedict**, Loan Origination Manager, California Infrastructure and Economic Development Bank (IBank)

10:00 PM - NOON

### **Session III: Peer Share**

Zone Administrators will have the opportunity during this session to ask technical questions about the Zone Information Reporting System (ZIRS) and how to apply for Zone Incentive Funds (ZIFs). If you're not sure how to spend your ZIFs, Bob Hollis will talk about how he has built RMDZ websites and social media platforms for other zones who used ZIFs for his services. Then ZAs can share their business assistance projects and describe how the pandemic is affecting them and their businesses.

**Moderator: Manuel Medrano**, Zone Administrator, South San Diego/Imperial County

**Frank Severson**, Zone Incentive Funds Coordinator, CalRecycle

**Bob Hollis**, Principal, The Mobius Network

**Frank Ferral**, Zone Administrator, San Joaquin County RMDZ
